

ED NEBBINS FOUNDATION: 2023 YEAR IN REVIEW

\$5.1M Goal

Timeline

JANUARY:

Amazing construction progress is made between Labor Day 2022 and the beginning of 2023. By mid-January concrete is complete on all pool vessels. The roof of the pool house is a white TPO (Thermoplastic Polyolefin) used in lieu of a standard roof because it is reflective which will help keep the building cool on hot summer days.

FEBRUARY:

Even amidst snow and cold the exterior of the building is nearly complete. Interior concrete and masonry walls are also complete and interior painting is well underway.

MARCH – APRIL:

Exterior work continues with site grading, sidewalks and preparation for landscaping. Tile is nearly complete on the pools. Spacious decking is poured. The new pool house gets finishing touches including soffits made from California old growth redwood rescued and refurbished from the original pool house.

MAY:

Pool vessels are filled with water. Trees, shrubs and grasses are planted. The Ed Nebbins Foundation hosts a ribbon cutting ceremony and then a grand-reopening celebration for more than 400 donors. Past members fly in from as far away as Colorado and Montana to see the new pool and relive fond memories.

MAY 28, 2023: THE GRAND REOPENING!

Membership reaches capacity even before the pool opens. The new pool makes a splash on 3 local TV stations and the line to get in on opening day stretches down the street. Everyone wants to be the first to jump in and new Pool Manager Bailey Otterson has a plan. Once the doors open, she doesn't let anyone jump in until the entire line of people has checked in. Everyone lines up along the sides of the pool, and with a shared "3-2-1-JUMP" a new Ridgewood era is inaugurated!

*as of 11/17/2023

"I have so many fabulous memories at Ridgewood Pool. It was incredible to have so many great times and great friends. We were a family at Ridgewood."

— Dean

JUNE:

Swim, dive and water ballet lessons begin. More than 650 kids are signed up for lessons and 276 are on the swim and dive team. With 8 lanes in the new pool, swim meets move quickly. Adult Sunday Brunches and Teen Nights resume. Children from Theresa Terrace and Elver Park Neighborhood Centers begin joyful afternoons of swimming.

JULY:

A Broadway Musical-themed Water Ballet Show lights up the night. Ridgewood hosts an entertaining Adult Night featuring live music. Children and teens from the Meadowood Neighborhood Center enjoy the first of several exciting days of swimming.

AUGUST:

Ridgewood hosts its first Trivia Night poolside with nearly 150 people competing. Proceeds help offset construction costs.

LABOR DAY:

A gorgeous weekend brings out the crowds for the last swims and dives of the season. Just before 5 pm everyone lines up for the traditional Last Jump when the final whistle blows - a long-standing tradition continues at the new Ridgewood Pool!

"Ridgewood Pool contributed to my idyllic childhood in a profound way. I learned so many valuable lessons and made innumerable lifelong friends. Thank you to all the people past, present and future who value a community pool."

— Kristin

Becky and Mark Jenn, with additional support from other pool members, commissioned and donated a sculpture of Ed Nebbins made from the Honey Locust tree that used to stand near the dive well but needed to be removed during construction.

Longtime member Allen Prey received recognition from Pool Manager Bailey Otterson Labor Day weekend for swimming at Ridgewood every day this summer.
