

ED NEBBINS FOUNDATION: 2021 UPDATE

Transformational Gifts Highlight 2021 and Start Final Countdown to the New Pool!

Ridgewood Pool, Inc. will break ground for its long-awaited rebuilding project at the end of this coming summer thanks in large part to two transformational gifts generously donated to the Ed Nebbins Foundation in 2021.

Spider Shores Foundation has made a \$500,000 gift in appreciation of the value that Ridgewood has brought to the community for more than 60 years and a desire to see that continue. A \$100,000 Matching Gift is being made by Julie and Jay Van Cleave who also believe strongly in the value of community pools and learning to swim. Julie and Jay pledged to match every \$10,000 gift to ENF up to a total of \$100,000. That Matching Challenge quickly inspired nine additional \$10,000 gifts (and they'll match the 10th too)! These gifts combine with two initial Anonymous Lead Gifts and generous donations from more than 550 individuals and families, to bring total funds raised to more than \$2,930,000!

We Are Family!

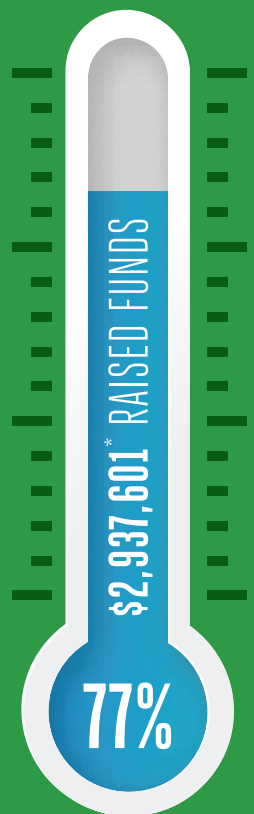

Nearly \$80,000 to rebuild Ridgewood has been raised over the past year as part of the exciting Personalized Paver campaign!

Putting your name or the names of loved ones on a Personalized Paver is a wonderful way to celebrate community and show you are part of the Ridgewood Family for generations to come. The Pavers will be part of the welcoming area of the new pool and there will even be a special area for families of Ridgewood's Charter Members.

Personalized Pavers are \$500 each and can be paid with a pledge of \$100 per year for 5 years or all at once. Each Paver is 8" X 4" with three lines of 20 characters each including spaces.

Pavers are going fast! 159 have been reserved so there's only 41 more available to reach the original goal of 200 Pavers. Yikes! But, we are family! And families always make room. Plus, we still need to raise \$860,000 for the new pool. So please join us in creating an even bigger and more wonderful Welcoming Courtyard, showcasing more than 3 generations of the Ridgewood Family, by reserving your Personalized Paver today at EdNebbinsFoundation.org/Give.

\$3.8M Goal

*as of 11/21/21

"I am one of thousands of "kids" who not only swam, but more importantly, grew up at Ridgewood Pool. Growing up with incredible role models helped shape me (and others) into who we are today. I only hope it is around for many years to come for others as well."
