

ED NEBBINS FOUNDATION: YEAR IN REVIEW 2022

Timeline

JANUARY – FEBRUARY

Construction committee, along with General Contractor J.H. Findorff & Son, continue value engineering, permitting and gathering subcontractor bids.

MARCH – APRIL

40-year-high inflation and supply chain issues increase construction costs an average of 25% nationwide. With subcontractor bids in, Ridgewood reconstruction cost rises to \$4.8 million.

MAY

Ridgewood opens for final season. All heaters fail for varying reasons. Open Swim temporarily moves to upper pool where sunshine helps heat the shallower water. Multiple repairs. Heaters coaxed into operating – most days. Lap swim temporarily moves to lower pool due to different mechanical failure. Dive well closes for heating and plumbing issues. Repairs made. Pool Staff jokes(?) that they've run out of duct tape.

JUNE

ENF announces that generous donors have pledged to *double match every gift* this summer up to \$500,000 creating the **Amazing 2X Matching Challenge!**

JULY

Dive well fails again right before All-City Dive. Ridgewood divers hold final practices at other pools. Upper pool completely clouds up the week before hosting All-City Swim. Pool Manager works miracles to get it cleared and functioning for the big event.

2022 ALL-CITY SWIM MEET

Madison swim community descends on Ridgewood for 3-day top-notch event – the largest amateur outdoor swim meet in the country. Nearly 2,000 swimmers compete. Ridgewood wins by a very close margin, a marvelous finale to send the old pool off with pride!

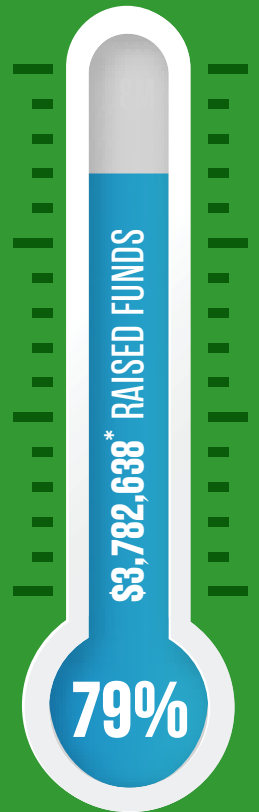

AUGUST

Awesome August includes Adult Night, Senior Sunday Brunch, **Race the Guards** – a fun day of silly races to raise money for new pool, and **Greenbuns of the Caribbean** family fundraiser.

Timeline continues on next page

\$4.8M Goal

*as of 11/17/2022

"Our hope is that all families can share the joy that we had with our kids each summer at the pool!"

— Mick and Peggy

ED NEBBINS FOUNDATION

A registered 501(c)(3) non-profit, charitable organization.

Email us: info@EdNebbinsFoundation.org

LABOR DAY

Just before 5 p.m. members line up for "last, Last Jump" - a fun yet melancholy moment at the pool that has meant so much to so many for generations. Immediately after the Last Jump, dozens of volunteers deconstruct and move to storage items that can be reused or have historical value. Certified old growth redwood from poolhouse saved to have a special place in the new building. Early the next morning, Ridgewood and ENF Boards of Directors, representatives from Findorff, and special guests hold small groundbreaking ceremony. Heavy equipment rolls in.

SEPTEMBER

A bittersweet demolition occurs. Upper pool vessel remains but will have all new plumbing, mechanicals and interior surface. **Amazing 2X Matching Challenge** extended to end of calendar year!

OCTOBER

Concrete poured for new dive well and lower pool. Footings and frost walls poured for new poolhouse. Upper pool prepped for resurfacing.

NOVEMBER

New pool site takes shape. Over the winter, construction will center on the pool house, followed by the concrete deck and landscaping in spring. The new Ridgewood Pool will open in late May of 2023.

"Pieces of this pool are all over the city and beyond."

— Ridgewood Assistant Manager after observing members past and present removing stones, plants and even pool water on Ridgewood's final days.

"Promoting wellness, building confidence, making friends, healthy competition, and a place to just have fun. How can you not support that?"

— Linda

Remembering Denny Hanson

Denny Hanson served as the Ridgewood Pool Manager for 18 years, from 1969 to 1987, but his impact on the Ridgewood community goes far beyond what the words Pool Manager imply. Denny was a teacher both in and outside of the classroom, a mentor, father-figure and friend. He and his wife Jan helped establish the family culture that defines Ridgewood and many of the traditions that continue to this day. Even after they moved to Iowa, Denny and Jan remained attached to Ridgewood and the life-long friendships they made there. They have graciously served on the Honorary Board of the Ed Nebbins Foundation, bringing

their years of experience to the efforts to rebuild the pool that they know has had a wonderful impact on the lives of children and families for multiple generations.

Denny passed away May 22, 2022 at the age of 88 after a two-year illness. The Ridgewood community misses him greatly and our hearts are with Jan, Kristin, Holly, Justin and their families. The Ed Nebbins Foundation has been honored to accept donations in Denny's memory to help rebuild Ridgewood. Those donations have surpassed \$32,000. Even now, Denny is helping take care of the pool and community he loved so much.

NEXT GENERATION LEGACY CIRCLE (\$50,000+)

Site plan

The rebuilt Ridgewood has greater accessibility and a layout substantially similar to what Ridgewood members have loved for decades. A new Recreation/Competition Pool replaces the original lower pool, has an in-water access ramp and is connected underground to the new Dive Well so they will cost-effectively operate as one system. The new Wading Pool has a zero-degree entry. The Lap Pool uses the original concrete vessel of the upper pool with all new plumbing, mechanicals and interior surface. The Pool House allows direct access to the pools without needing to go through a locker room. There will be sidewalks along all public streets and great care has been taken for the grounds to be environmentally friendly with rain gardens and bioretention areas. More detailed information can be seen online at EdNebbinsFoundation.org.
